§ 230.3 Definitions.

Terms used in this part are set forth in 32 CFR part 231.

§ 230.4 Policy.

(a) The following pertains to financial institutions on DoD installations:

(1) Except where they already may exist as of May 1, 2000, no more than one banking institution and one credit union shall be permitted to operate on a DoD installation.

(2) Upon the request of an installation commander and with the approval of the Secretary of the Military Department concerned (or designee), duly chartered financial institutions may be authorized to provide financial services on DoD installations to enhance the morale and welfare of DoD personnel and facilitate the administration of public and quasi-public monies. Arrangement for the provision of such services shall be in accordance with this part and the applicable provisions of 32 CFR part 231.

(3) Financial institutions or branches thereof, shall be established on DoD installations only after approval by the Secretary of the Military Department concerned (or designee) and the appropriate regulatory agency.

(i) Except in limited situations overseas (see paragraph (b)(2)(iii) of this section), only banking institutions insured by the Federal Deposit Insurance Corporation and credit unions insured by the National Credit Union Share Insurance Fund or by another insurance organization specifically qualified by the Secretary of the Treasury, shall operate on DoD installations. These financial institutions may either be State or federally chartered; however, U.S. credit unions operated overseas shall be federally insured.

(ii) Military banking facilities (MBFs) shall be established on DoD installations only when a demonstrated and justified need cannot be met through other means. An MBF is a fi-

This form of financial institution may be considered for use at domestic DoD installations only when the cognizant DoD Component has been unable to obtain, through normal means, financial services from a State or federally chartered financial institution authorized to operate in the State in which the installation is located. In times of mobilization, it may become necessary to designate additional MBFs as an emergency measure. The Director, Defense Finance and Accounting Service (DFAS) may recommend the designation of MBFs to the Department of the Treasury.

(iii) Retail banking operations shall not be performed by any DoD Component. Solicitations for such services shall be issued, or proposals accepted, only in accordance with the policies identified in this part. The DoD Components shall rely on commercially available sources in accordance with DoD Directive 4100.15.¹

(4) Installation commanders shall not seek the provision of financial services from any entity other than the on-base banking office or credit union. The Director, DFAS, with the concurrence of the Under Secretary of Defense (Comptroller) (USD(C)), may approve exceptions to this policy.

(5) Financial institutions authorized to locate on DoD installations shall be provided logistic support as set forth in 32 CFR part 231.
